

Christmas

Christmas is Christian holiday that celebrates the birth of Jesus Christ. For a millions of Christians throughout the world it is the happiest and busiest time of the year. No one knows the exact date of Christ's birth but most Christians celebrate Christmas on December 25. People of different countries celebrate Christmas in various ways. People in the United States decorate their homes with Christmas trees and ornaments. A Christmas tree is one of the main symbols of Christmas. Presents are placed under the tree. On Christmas Eve or Christmas morning families open their presents.

Many children believe that Santa Clause arrives on Christmas Eve in a sleigh pulled by reindeer and brings presents. Children write letters to Santa Clause and tell him what presents they would like to get.

Dear Santa,

This year for Christmas I have a few requests. I know you are busy, but I have been a really good boy this year, and expect to get a few things.

First, I really want a dog. If you give me a dog, I promise, I will not tease Ron, my little brother.

I also need some new roller skates. If you can get me some good skates, I'll do the dishes without being asked for a month!

You see how important this is to me. Thank for all you do, I promise to leave cookies and milk out for you by the fireplace, but if I don't get this stuff, you won't get any next year.

Love,
Johnny.
